Collège de Sainte-Anne-de-la-Pocatière

WHAT IS THE CSA?

The Collège de Sainte-Anne-de-la-Pocatière is the **4th oldest French high school in North America** and has always been a significant pillar of education.

- Our motto: Facere et docere (Do and Teach)
- Our slogan: Forts et unis (Strong and United)
- Our mission: Enable our students to develop their talents and skills

Our school is recognized throughout Quebec for the quality of its comprehensive student support services and the education it has consistently provided. In the 2024 provincial exams, the College:

- Ranked first among all secondary schools in the eastern part of the province
- Ranked first among all secondary schools offering co-ed boarding facilities
- Achieved a 98% pass rate and an overall average of 80%

In addition to its **regular high school curriculum**, our institution offers **different short- and long-term French immersion programs** in all levels (from beginner to high advanced) to anyone who wishes to improve their French language proficiency while discovering a fascinating new culture.

- From 1- to 4-week French immersion programs (anytime in the year)
- 2 summer French immersion programs
- Business French Program
- French Teacher Program
- A short- or long-term French immersion program tailored to your needs

Live The French Experience!

Top-Quality Education In The 5th Oldest French High School In North America

WHERE IS THE CSA LOCATED?

The Collège de Sainte-Anne-de-la-Pocatière is located off the banks of the St. Lawrence River, less than 65 minutes from Quebec City, in the French-speaking province of Quebec, Canada. La Pocatière is a small town offering a **great variety of services** such as a hospital and other medical centres, a shopping centre and various shops, restaurants and recreational facilities, in a **calm and secure environment**.

WHY CHOOSE THE CSA?

Rich with **200 years of history**, the Collège de Sainte-Anne-de-la- Pocatière plays a significant role in its region and throughout the whole province of Quebec as a **leader in education**. Renowned for the unique expertise we have developed over the years for our French as a Second Language classes, our institution has proven to be the best place to learn French while providing an **environment that is just as enriching and stimulating as it is safe and secure**.

Studying in our College means attending a **school committed to the success of its students** while being supervised by competent, available and dedicated teachers. International students will most certainly be enchanted by our **high-class residence** offering WI-FI access in newly-renovated and modern accommodations located inside the school.

WHO CAN APPLY?

Our French High School Studies Program is intended for students aged **12 and over** (grades 7 to 11), **regardless of their French proficiency**.

WHEN DO THE PROGRAMS TAKE PLACE?

- 3-week summer program 2027: June 29th to July 17th
- 3-week summer program 2027: July 21st to August 8th
- Fall semester 2027: from August 27th to December 18th
- Winter semester 2028: from January 4th to June 22nd

French High School Studies

All international students are welcome to enroll in the Collège de Sainte-Anne-de-la-Pocatière for French High School Studies, regardless of their French language proficiency. Whether it be for one semester or for the whole school year, our College offers francisation lessons at no extra cost to the students who wish to join our local students in order to follow our regular High School curriculum in French. Moreover, this program provides students a high-school diploma – under certain conditions – and the opportunity to attend university or other educational institutions.

Our institution offers a 43-week French High School Studies Program which allows all international students (from beginners to high advanced) to improve their language proficiency and to attend regular French classes. What's more, international students are offered 2 extra non-mandatory preparatory summer programs in order to be fully equipped for the school year!

FRENCH IMMERSION PROGRAM (Not mandatory)

- A program accredited by the Council of Ministers of Education, Canada (CMEC).
- A summer program reputed for its extensive know-how for the last 19 years.
- A summer program highly recommended by the CMEC and Languages Canada for its continuing standards of excellence.
- An ever-present, attentive and dynamic team.
- A well-balanced schedule combining studies and activities
  - 3.5 hours of French lessons every morning taught by teachers who are accredited by Languages Canada
  - 1.5 hour of workshops to suit every taste, in the afternoon or evening
  - 2 hours of free and varying activities offered at the end of the afternoon or in the evening
- The chance to add optional activities to the schedule (music and dance lessons, cultural and sports excursions, etc.).
