French Immersion program - SUMMER

3 Weeks (13-15 years old)

Overview of the program

The schedule of classroom sessions, workshops, organized cultural and sporting activities maximizes the students' exposure to the French language and culture to ensure an ideal learning experience. You will be charmed by the region's scenery and its beautiful sunsets. Our Program attracts sports enthusiasts as well as budding musicians. On the first day of the Program, students will be assessed to ensure proper class placement. Qualified, experienced and friendly instructors work with students to achieve the proficiency expected at each level, from beginner to advanced.

Levels

- 3 beginner levels
- 3 intermediate levels
- 2 advanced levels

Placement tests are given on the first day of school and groups are formed by levels. Each class has about 20 students. The number of classes could be adjusted according to the number of registered students and their language placement test results.
